MARIA & RICARDO'S®

MUCHO GOODNESS®

NO TORTILLA
LOVER
LEFT BEHIND™

At Maria and Ricardo's, we make delicious tortillas using real, simple and wholesome ingredients. Our company was founded in 1986 by cousins Maria and Ricardo, who through their heritage, passion and innovation, brought back the essence of a good tortilla experience made for everyday enjoyment. They believed that the best tasting tortillas resulted from using simple ingredients found in authentic, all-natural recipes that have been around for generations.

Today, we continue to build on the tradition we started over 30 years ago, bringing the goodness of real Mexican cuisine - and a little more - right to you! With simple, wholesome ingredients that are free from artificial flavors, artificial colors and artificial preservatives, our tortillas have Mucho Goodness® in every bite.
